Speaker

Student of the Month, Christopher Korpics

Chris attends CAT Brandywine where he studies Commercial and Graphic Arts. He started with Masonry as his major however that teacher left the school and that course was dropped. Chris then changed his major. He loves photograph and hopes to someday have his own photography business. He is very proud to be an officer of Skills USA, an organization that teaches leadership and public speaking skills. He also has an interest in architecture and wants to continue his masonry skills. He likes the idea of being a "renaissance man". Chris plans on joining the Marines after high school graduation. After his tour of duty he looks forward to attending college.

Meeting business

Amrita presented some amendments that our club needed to vote on for Rotary International. We approved a "yes" vote.

There will be no meeting on December 27, 2011. Eileen reminded members who pay their dues in two installments that the second installment is due in January 2012.

Amrita reminded our club that we need to nominate club officers for the 2012 year that starts in July now.

We were reminded that we need to think more seriously whether we want to "merge" with the Thorndale Club.

PETS (President Elect Training Seminar) is in January.

RYLA is looking for interested high school students to send to the leadership week end in February. Amrita will contact Carl to see if Caroline knows of anyone.

Amrita will review revamping of our club budget in January.

Amrita will stop by Victory Brewing on Saturday (after Lord's Pantry work day) to review our March Madness event as we need to start thinking about that as well. Hopefully we can count on Bryan and Nancy to help us out again.

Jim Gerlach still wants to reschedule his visit to our club and Senator Bob Casey also showed an interest to speak to our club.
