

## Rotary Clubs Seek Area Professionals for Goodwill Exchange to Southern Greece

Rotary International is seeking four outstanding professionals to visit the southern area of Greece for four weeks April 2010 as part of the Group Study Exchange program of The Rotary Foundation.

Through the program, teams of professionals exchange visits between paired areas in different countries. The awards involve four-week visits, during which team members share homes with Rotary families and have the opportunity to meet their professional counterparts. They will also give presentations to Rotary clubs and other groups about their home country.

The Rotary Foundation provides a round-trip air ticket, and local Rotarians in the host country provide meals, lodging and group travel in their district. Team members pay for personal and incidental expenses, as well as travel insurance.

People interested in applying should be employed full-time in a recognized business or profession. Young professionals within the age range of 25 to 40 are encouraged to apply.
