**Death on the 16<sup>th</sup>  
Fairway**  
Original Play by Art Leahy

Was it an accident, or was it murder? This two act drama takes place at Ryan's Way Golf Club, an exclusive country club.

Any of the club members or staff could be responsible and each has a motive that unfolds in the recreation of events from the perspective of golf pro, Alistair Lane.

The plot thickens as Detective Poly Irons investigates with the help of Lieutenant Hazard and County Coroner Doctor Wedge.

This play is laced with humor and mystery, performed by local theater professionals and amateur actors from Springhaven Golf Club and Glen Riddle Rotary Club.

Come find out "who dunnit!"
