**With the Rotary Club
of Kennett Square**

Make a Difference . . .

Peter Skiadas, local restaurant owner and Kennett Rotarian, makes friends with a young Rotaplast patient in Peru.

Rotaplast organizes volunteer teams of doctors, nurses, and Rotarians who travel to South America to

provide surgical correction of cleft lip and palate deformities for children and adults. Peter says "you can really see how your contribution changes lives!"

Promote Peace . . .

Rotarians promote peace in many ways. Through an international network of clubs they sponsor cultural, vocational and academic exchanges, collaborate on service projects and provide relief to disaster victims.

Include Family . . .

Children and grandchildren of Kennett Rotarians enjoy dressing up for the Halloween party!
