

Kennett Square Rotary 2007 Holiday Project

In 1999, Mona Purdy traveled through Central America, and saw children painting tar on the soles of their bare feet so they could run a race during their village's festival. She happened to meet an American orthopedic surgeon who was visiting the village. He told Mona that *if these children had shoes to wear, there would be a lot less need for him to regularly travel to the region to perform amputations of children's infected limbs.*

Share Your Soles

Our club Christmas project will be "Share Your Soles," which collects new and gently used footwear for needy children.

Details

Please bring new or slightly worn shoes in original boxes, but not giftwrapped. Ages of needy children to age 15. The shoes that are given to needy children may be the only pair they ever receive in their lives.

Please be sure that the shoes you share are gently worn or new, clean and can withstand heavy wear.

Unboxed shoes should be buckled or tied together by their laces.

Please bring shoes to the December 11th Rotary meeting.

Louise Bair will coordinate getting our contributed shoes to the charity location.
