I'd just like to report back about my experience at RYLA. It was a FANTASTIC time where I met so many great people from all over the area while also learning a lot about leadership as well as Rotary club. The keynote speaker was one of the best I've ever heard and the staff ran the event flawlessly. There was always something to do and barely any wasted time. It was really fun meeting people from schools in this area as well as all the Rotary exchange students. It was a really memorable experience, and I'd like to thank you for giving me the opportunity to attend!

Thanks again,
Ray

I am so grateful you gave me this opportunity to attend the Rotary Youth Leadership Awards in Valley Forge. It was a great experience that opened my eyes to Rotary International and all the good work they do. I met some very nice people during my trip there including many people who are leaders of Interact at their own school. Kelly Choi and I share a common goal to take charge of Garnet Valley's Interact Club next year and greatly expand our club to not only the community but also international. The leadership workshops there gave me new ideas, made new friendships and taught me better ways to live my life. My favorite one was the four-step test. I hope one day to be a fellow Rotarian!

I thank you and the Concordville-Chadds Ford Rotary club for sponsoring my life altering trip!

Sincerely,

William

Thank you from my husband and myself as well, for inviting (our son), and hosting such a wonderful conference. We are very appreciative of that opportunity, and also to the local Rotary for sponsoring him. We have always strived to instill the importance of giving back and being a blessing to others in the community, and it is so encouraging to have that reinforced and developed further by the program that you presented.

Thank you for all you are doing to invest those values in the next generation.
