Charter Night, April 23, 2011

Rotarian News

What's happening in your business & profession

— *Submitted by Ed Fronczkowski*

Rosemary Dempsey

What's Happening in Rosemarie Dempsey's business is the following. On October 27, 2010 I am hosting a seminar called "Women's Guide to Investing". The seminar will be held at People's Light Theater in Malvern, PA and will make a donation to the Susan B. Komen Foundation. October is breast cancer awareness month. I will be giving away a Vera Bradley bag and other goodies at the seminar. The structure will be a cocktail hour from 6:00 - 7:00 PM, then we have an OB/GYN speaking about Women's Health issues and

then a short presentation about Women's Investing strategies. The evening will end at 8:00 PM. I am inviting all the women from Sunrise Rotary with first an email save the date and then a mailed invitation. Hope to see you all there.

John Diffey

We want you to be among the first to know that we have just launched the financing phase that will soon lead to the construction of The NEW Admiral at the Lake, a 31-story continuing care retirement community on Chicago's lakefront. The Preliminary Official Statement (POS) has been issued, which means that approximately \$200 million in tax-exempt bonds are now being sold to investors to finance what promises to be an exceptional new urban retirement living community.

Kendal's ongoing collaboration with The Admiral—Chicago's first not-for-profit retirement community—has helped to successfully reposition it as The NEW Admiral at the Lake. More than 78% of the residences planned for the new Life Care community have been reserved. A four-page newsletter spotlighting the plans for The NEW Admiral will arrive in the mail shortly.

With groundbreaking now clearly on the horizon, we felt it was important to share this news with you right away. We are pleased with the excitement about The NEW Admiral among Kendal residents, board, staff and friends, and we hope you will continue to spread the word to those who may want to know more about what is fast becoming a unique opportunity in retirement living and Kendal's newest affiliate.
