## GWCSR Club Program February 23, 2011

Our speaker was Dr. Marc Jacoby, Professor of Music at West Chester University, Jazz Studies Coordinator, teacher of Applied Music and Music Education, as well as director of WCU's *Criteria's Big Band* and *Latin Jazz Ensemble* and WCU's newly created, all electronic *Jazz Fusion Ensemble*. Dr. Jacoby showed us excerpts of music by the ensembles.

We also heard from the Honorable Richard B. Yoder, Mayor of West Chester from 2001 through January 2010, who spoke about the Gala for Hope scheduled for March 26, 2011 at the Sheraton Great Valley. He told us that all proceeds will go to the Susan G. Komen for the Cure charity.

## Rotarian News

### **What's Happening in Your Business and Profession?**

– Submitted by Ed Fronczkowski

Reminder: Each week, Ed arranges for publication of news about the businesses and professions of Club members. This includes anything to do with your business or profession. If you would like to publish a recent accomplishment or if you are starting an interesting new project, or if there are new developments within your profession, you can share them in New Horizons. "In fact, pretty much anything you think is worth sharing is what we are looking for, so send your news to Ed by Friday afternoon so that it can be included in next week's newsletter."

***Please note that all Business and Professions submissions for the Newsletter should be submitted to Ed.***

## Guess that Rotarian!

– Submitted by Irv Friedlander

This person in the photograph remains unidentified. ***Is that a person looking out of a window in the background?*** If it is, we might need to contact Mikael ("Kalle") Blomkvist's help to solve this (he could track down the person looking out of the window).
