

For the 4th year, Ferderbar Elementary EarlyAct steps up to assist the Feasterville Rotary at it's Annual Pancake Breakfast fundraiser! Acting as table clearers, visitor ushers, bunny helpers . . . whatever was needed, this group outdid itself in service!

Plus Ferderbar Elementary EarlyAct rallied with a Help for Haiti campaign to raise money for ShelterBox. They created Help For Haiti pencils and sold them before school and at various events. They raised more than \$1500! In addition, EarlyAct worked with their next door neighbor, Poquessing Middle School and another local grade school, Lower Southampton Elementary, to raise even more money for ShelterBox. The middle school hosted a Movie Night and Lower South Elementary had a School Hat Day. Between the three schools more than \$4000 was raised! Special thanks to ShelterBox USA team member and district Rotarian Bill Decker for visiting the schools as the fundraising kickoff. Plus, more thanks to the principals of the three schools, who are all Feasterville Rotarians: Ron Sayre, Poquessing Middle School; Judy Brown, Ferderbar Elementary; Chuck D'Alfonso, Lower Southampton Elementary.
