

Dear Fellow Rotarians and Friends,

Time is near, so act now to support Polio Plus as well as enjoy an evening out with fellow Rotarians, Friends, Family and others!!!

The Rotary Club of Abington at Edge Hill has made arrangements with the La Salle University Athletic Department for all Rotarians in District 7450 to attend the "Rotary District 7450 Recognition Night" at the Men's Basketball game at 6:00 P.M. on January 4, 2012 vs. Xavier University, on the La Salle University campus, with free parking available *. In honor of Rotary's commitment to eradicate polio, half of each \$10 ticket admission price will be donated to the Rotary Polio Plus Campaign, with your club being credited to Polio Plus for the share (50%) of your tickets sold.

We look forward to this event being an outstanding fundraiser for Polio Plus, as well as providing an opportunity for great fellowship among Rotarians from across the District, while also enjoying an exciting televised basketball game. We would like to have volunteers man a purple pinkie table at the game so if you are interested, please let us know!

Tickets have already been distributed to your club president, so contact your president to get your tickets. If you are unable to reach your club president and want to go to the game, please email Brian, so tickets can be ordered and held at "will call for you at the gymnasium. All are invited to attend. Tickets may be sold to Rotarians, family members or friends, with each club sending a check for the number of tickets sold, additional tickets needed, and/or returning any unsold tickets, to:

Rotary District 7450
c/o Brian Wirtshafter, District Treasurer
P.O. Box 2361
Jenkintown, PA 19046

We need to get a count of the anticipated number attending from each club for LaSalle. Payment can be settled up after the game, but we need to know the tickets being sold and return unused tickets so others may purchase them.

Questions may be directed to either of us at one of the e-mail addresses noted below.

We look forward to seeing you at the game on January 4th.

Happy Holidays!
