

Central DELCO Rotary Club Holds Lobster Bake

The Rotary Club of Central Delaware County held its annual Lobster Bake on Saturday, September 10th at the Broomall Lake Country Club in Media. The Club started this event a few years ago to raise funds for distribution to local and international projects. The event featured fresh lobster and clam chowder flown in from Maine. The 96 attendees enjoyed fabulous food and entertainment on the Country Club's covered porch that overlooks Broomall Lake. There were a variety of baskets donated by Rotary Club members and friends that were raffled to raise additional funds. Area businesses and club friends contributed by purchasing ads in the event's program book, including: The Court Diner & Restaurant, TD Bank, Cocco's Pizza, Sam's Restaurant & Saloon, Joe Staffieri – Music for all Occasions, Leonard's Sporting Goods, IWB – Iron Workers Bank, the Millison family, PA Institute of Personal Finance – George J. Jones, Jr., Gaul Advertising, Inc., Captain Jose Santiago – The Salvation Army, and Gallagher's Pack, Ship & Copy. The Rotary Club of Central Delaware County invites anyone who wants to learn more about Rotary to drop into one of our Wednesday morning meetings, held at The Court Diner at 7:15 a.m.
