Rotary Leader

Volume 3 Number 9

March 2009

Message from DG Joel

What an exciting time of year! With spring in the air, flowers popping up and March madness upon us, there is a rejuvenated spirit amongst Rotarians of District 7450. And why not?

Our District Conference is just around the corner on April 17th thru the 19th.

As we approach the date, our District Conference Committee, spearheaded by Bonnie Korengel and Dave McKeon, is working diligently to put the final touches on what will be a spectacular weekend.

Most of you received the "Save the date" postcard which features the event locations; our own Longwood Gardens, and The Mendenhall Inn.

Longwood Gardens is featuring the spectacular daffodil display in the conservatory and also a kite-flying contest. Our Interact and Youth Exchange students will certainly want to participate in this fun event.

Saturday night will be our highlight of the event, starting off with a magnificent stroll thru the conservatory, taking in all the beautiful sights and fragrances of spring.

Can you find DGE Al Marland?**Rotary District 7450 leadership team for 2009-2010**

All presidents-elect registered and all but two attended the Multi-District PETS conference at Radisson Valley Forge February 27-28. The presidents-elect received training in how to lead their club during the coming Rotary year under the theme of "The Future of Rotary is in Your Hands."

Grand time planned for District Conference***CONTINUED FROM PAGE 1***

As you enter the ball room, you will be enchanted by music and dining as you fellowship with Rotarians of District 7450. Mark your calendars, submit your reservations (on the District website at info@rotary7450.org), and plan to be a part of this unique experience.

As I mentioned in last month's newsletter, despite the state of our economy, we are meeting our Polio Plus Challenge contributions. However, the annual giving is significantly down.

We need to focus on the annual giving to meet our goal to RI.

As of Saturday, March 14, our GSE team

From the District Governor

left Philadelphia bound for the Philippines. This year's team is led by PDG Paul Ossimo. We wish them good luck during their stay in the Philippines and a safe return to the states when the mission is complete.

One last important item happening on March 27 and 28th is our membership meeting in Baltimore, Maryland featuring RI President D.K. Lee. Let's all

come out to support D.K. in his efforts to boost our motivation to increase membership throughout our District and help "Make Dreams Real."

District Conference is April 17 to 19 at Longwood

City 'provisional' Rotaract Club awaits charter

A new provisional Rotaract Club, the Rotaract Club of Northeast Philadelphia, has six members and newly-elected officers.

Charter members of the provisional club include Krystle Toth, secretary Meghan Meyers, vice-president Sara Cashin, and president Erin Neumann-Domer. Other charter members include

treasurer Dustin Gremo, and sergeant-at-arms Marek Kowalski. Mentors/advisors are Frankford-Northeast Philadelphia Rotarian Margaret Kelly and Dr. Steven Medvec, a professor at Holy Family College.

The club is seeking a minimum of 15 members to seek its charter, with help from its sponsor, the Rotary Club of Frankford/

Northeast Philadelphia. The club is being established as a hybrid, community-based club.

Members of Rotary Clubs in District 7450 are encouraged to suggest young people between the ages of 18 and 30 for Rotaract membership. While the present core group of five Holy Family University students and one alumna are affiliated with Holy Family College, it is vital to extend the opportunity for membership to others throughout the Northeast Philadelphia region and into Lower Bucks County if there is interest.

The Northeast Rotaractors raised more than \$170 at a flea market last fall, and plan

to raise funds for Quilts for Kids, at a "Bowling for Blankets" fundraiser Sunday, April 19, from 3 to 5 p.m. at Thunderbird Lanes, 3081 Holme Avenue, Philadelphia. Tickets for \$15 each cover two hours of laser bowling, shoe rental, food, and fun. Call 315-333-3155 for tickets.

Charter members of the provisional club include (from left) Krystle Toth, secretary Meghan Meyers, vice-president Sara Cashin, and president Erin Neumann-Domer. Other charter members include treasurer Dustin Gremo, and sergeant-at-arms Marek Kowalski.

Quilts for Kids is a volunteer non-profit organization of quilters, founded by Linda Ayre, a Langhorne Rotary Club member. The quilters transform unwanted and discontinued fabrics into beautifully crafted quilts for children who are stricken with cancer, AIDS and other life-threatening illnesses, as well as battered and

abused children.

Rotaract, sandwiched between Interact for high school students and the Rotary Clubs for business and professional leaders, was founded 41 years ago this month. District 7450 Rotary has eight Rotaract Clubs, not counting Northeast Philadelphia Rotaract, which has not yet been chartered.

For information about becoming a member of Northeast Philadelphia Rotaract Club call president Erin Neumann-Domer at 215-333-3155, or Frankford-NE Philadelphia Rotarian Margaret Kelly at 267-3541-3343.

Miller traced his life in an iron lung, followed by years of treatment and therapy which enabled him to practice law and travel with his wife, Joanne, to share gospel music in Pennsylvania and surrounding states.

DGE Al Marland welcomes Exton Frazer PE Dan McMonigle to the Multi-District PETS.

Kathryn Flagg, president-elect for Glen Riddle Rotary Club, was among 52 District 7450 president-elects at 2009 PETS and assisted District 7450 registrar Jay Childress.

PDG Mark McGill of Coatesville Rotary Club conducts one of several workshops for presidents-elect. McGill is District trainer for DGE Al Marland.

Jenee Chizick, president-elect Madrugadoras Rotary Club in Philadelphia, was on hand for PETS.

RYLA weekend: 'Enlightening experience'

Last month, I had the pleasure of participating in the RYLA conference at the Freedom Foundation located in Valley Forge. Rotarians Maria Mills-Torres and Louise Vitiello spearhead RYLA for students sponsored by Rotary Clubs of District 7450. This year, we had participation from the Freedom Foundation staff in organizing leadership events for the students. Longwood Rotary Club president Dave Haradon led this year's cultural walk. The event was restructured primarily to provide the students with a fun activity surrounding the Rotary 4-Way Test. I had a good time watching the faces of the students as they learned something about themselves and their peers.

Area 2 AG John Washington, Jr. an Edge Hill Rotarian, and Joan Harris, Madrugos Rotarian, also volunteered during the weekend events. This

year's Youth Exchange and Interact students also participated in the activities.

For me, this was an enlightening experience watching our future leaders and Rotarians interact and exchange cultural differences with each other.

As a participant in this year's District Conference, I am truly excited with the venue and schedule of events that are planned for April 17th thru 19th. Our setting, the gorgeous Longwood Gardens, will provide us with hours of blissful fragrance and showy spring flowers to motivate our mind, body and spirit.

Applications are available on the

District website (info@rotary7450.org. Mark your calendars and do not miss this opportunity to experience the most important District event of the year!

RI Foundation Awards 30,000th Matching Grant

By Peter Schmidtke
RI News

More than 20 children in India with congenital heart defects will soon benefit from the 30,000th Matching Grant awarded by The Rotary Foundation.

The Foundation approved a grant of US\$15,000 in December for the project, a collaboration between the Rotary Clubs of Cochin Midtown, Kerala, India, and Sandbach, Cheshire, England. The grant will help fund surgeries to correct heart irregularities in children between the ages of three months and 18 years in southern and northern India.

The clubs have each contributed \$5,000 toward the project. Their districts, 3201 (India) and 1050 (England), have both provided \$5,000 from their District Designated Fund, for a total of \$35,000.

The project is being coordinated through Gift of Life International, an organization supported by Rotary clubs worldwide. It's the latest development in the ongoing efforts of the Cochin Midtown club and District 3201 to pro-

vide open heart surgeries to 105 children from indigent families by 2010, Rotary's 105th year.

During the past two years, Rotary Clubs in District 3201 have organized four other Matching Grant projects for surgeries, and have independently funded several other surgeries as well.

"A child with heart disease who is born to poor parents puts an entire family of five or six persons in financial disarray," says Cochin Midtown club president V.J. John, explaining his district's decision to make the surgeries a priority.

.Since 1965, the Foundation has matched contributions for international service projects in 199 countries at a cost of more than \$335 million. In 2007-08 alone, the Foundation approved \$43.8 million for 2,424 Matching Grant projects in 137 countries.

If you know a Rotarian asking where his or her District Newsletter is, we are asking Rotarians who have access to computers and the Rotary7450.org website to take a few minutes and
