Sheridan Chilvers (3rd from right), President of the Nottingham (UK) Rotaract club, is surrounded by new Rotaract friends here in the USA at an event hosted by the Philadelphia Rotaract Club in Philadelphia Monday, January 23.

Sheridan was recently awarded the Roosevelt Scholarship which was established over 60 years ago as a living memorial to President Franklin D Roosevelt. This scholarship allows him to travel to the USA for 3 months from January to March 2012 to investigate Social Entrepreneurship. Sheridan is visiting more than 10 USA cities to share info about the scholarship and meet fellow Rotaract members.
