## THIS IS ROTARY INTERNATIONAL

The world's first service club was the Rotary Club of Chicago, founded in 1905 by Paul Harris. Rotary International is the largest volunteer service organization in the world with 1.2 million members: business people, professionals, men and women in 34,000 clubs in 200 countries. Our mission:

- Enhancing fellowship and respect among professional business persons;
- Recognizing and valuing the worth and dignity of all useful occupations;
- Promoting and encouraging the ideal of service to local and worldwide communities;
- Advancing international peace and goodwill through the fellowship of business and professional people;
- Promoting the ideal of "Service Above Self" by giving of our time and talents to help our communities.

In the last twenty years, Rotary has committed over \$900 million in its Polio Plus campaign to eradicate polio. Today, we are focusing on promoting literacy, potable water, environment and infra-structure development. We continue to work for world peace and understanding.
